

2015 La Sereinité Chardonnay

Every season, we carefully select a handful of Chardonnay lots that best express the cool climate of the Russian River Valley. These are brought together from neutral oak barrels to showcase the essence of the vintage. A pale straw hue with a light greenish cast, this wine offers up intriguing aromas of crisp pear, flint, lemon curd and orange blossom. The soft entry is balanced by focused acidity and good palate density, and brings flavors of lemon zest, clove, nutmeg and a hint of melon. A reprise of fresh pear and lemon zest mark the long, textured finish. Enjoy between 2018-2022.
