

2017 La Sereinité Chardonnay

Every season, we carefully select a handful of Chardonnay lots that best express the cool climate of the Russian River Valley. These are blended together from neutral oak barrels that allow the essence of the vintage to shine. A bright golden straw color in the glass, La Sereinité exhibits vibrant aromas of quince, ginger candies, white flower and flint. A focused but opulent entry on the palate gives way to flavors of beeswax, lemon curd and meringue. These flavors continue across the palate and give way to a lingering finish.

Alcohol: 14.3%
