

## 2018 Russian River Valley Chardonnay

The 2018 Russian River Chardonnay is a blend of Rued clone grown on our Quail Hill Vineyard, Clone 4 from Sweeney Vineyard and Wente clone from Susanna's. A clear bright yellow in the glass, clean aromas of lemon peel, white flower and golden delicious apple are apparent. Bright acidity on the palate transition to grapefruit rind, elderflower and lychee. Flavors of fresh stone fruit progress to a pithy finish which lingers on the palate. Enjoy upon release.
