

2018 Rosé of Pinot Noir

The 2018 vintage of Rosé was crafted from Pinot Noir grown on our estate vineyards and select neighboring Russian River Valley properties, using the French saignée technique. A crystal-clear salmon color in the glass, this new vintage of rosé exhibits vibrant aromas of nectarine, pink grapefruit, and spun sugar. Hints of white strawberry, watermelon rind and orange blossom come forward on the palate with lively acidity carrying on to a bright, juicy finish.
